

## USDA Forest Service Resource Assistant Program

**Position.** North Zone Recreation Management Specialist

**Duration.** 8 Month Fellowship (32 weeks): Starting June 2023 – February 2024

**Location.** North Fork Ranger District. 11 Casey Road. North Fork, Idaho 83466

**Reports To.** The North Zone Recreation Management Specialist will report to The North Zone Recreation and Trails Lead

### Job Overview

This North Zone position is critical to the maintenance of developed recreation sites including those along the Wild and Scenic Salmon River Corridor, Twin Creek and Meadow Lake Campground complexes, boat launches, and trail heads supporting Wilderness access and Central Idaho Priority Areas. This position is responsible for implementing Great American Outdoors Act work, collaborating with partners, facility and visitor use surveys, water system testing, cleaning and upkeep of sites, and data entry. Additional duties of this position include participating in educational activities and operating and maintaining all vehicles and tools associated with duties of the position.

### Responsibilities and Duties

- Support the North Zone Developed Recreation Program
- Support Partner Organizations
- Assist in the Implementation of Great American Outdoors Act projects.
- Participate in Outdoor and Environmental Education programs.

### Qualifications

Provide a bullet point list of the qualifications that are necessary for someone to fill this position. Points you may wish to include are education level, major/degree, experience, specific skills, certifications and licenses, and physical abilities.

- Interest in public lands recreation management.
- Ability to work as a member of a team in remote locations.
- Strong customer service skills

### Minimum Requirements

- Completion of 2 years at an accredited university, an Associate's degree, or higher
- US citizenship or permanent residency. RAs must undergo a government background check if selected.
- Participation in US Forest Service Orientation Training scheduled for June 2023
