MANRRS

MANRRS 5 CORE COMPETENCIES

Your Blueprint for Leadership, Growth & Career Elevation

Your Pathway to Excellence: The 5 Core Competencies define the key skills expected at every level of MANRRS. Use them to guide your growth, earn verified digital badges, and stand out as a leader in agriculture, natural resources, and STEM.

1. Strategic Thinking

Definition: Setting long-term goals and actionable plans for academic and career success.
Impact: Turns big-picture ambitions into a clear roadmap for personal and chapter leadership.

• Junior MANRRS (Grades 6–12):	Set academic goals and explore STEM pathways with the Career Pathway Tracker.
• Collegiate (Undergrad & Grad):	Build 3–5 year career roadmaps, lead chapter planning, and solve industry case studies.
• Professionals & Alumni:	Drive organizational strategy, board governance, and cross-sector partnerships.

2. Communication Skills

Definition: Articulating ideas clearly and presenting with confidence across any setting.
Impact: Builds your executive voice to pitch your value, ace interviews, and lead key discussions.

• Junior MANRRS (Grades 6–12):	Build public speaking confidence through national essay and speech contests.
• Collegiate (Undergrad & Grad):	Master elevator pitches, present capstone projects, and excel in corporate interviews.
• Professionals & Alumni:	Deliver executive presentations, advise chapters, and speak at national conventions.

3. Collaboration & Teamwork 🤝

Definition: Working effectively in diverse teams to solve complex problems under pressure.
Impact: Sharpens team leadership, project management, and collaborative problem-solving skills.

• Junior MANRRS (Grades 6–12):	Engage in group STEM challenges, Agri-Venture activities, and peer learning.

• Collegiate (Undergrad & Grad):	Execute team capstones, S2MART Academies, chapter operations, and national committees.
• Professionals & Alumni:	Manage corporate initiatives, lead volunteer committees, and build mentoring platforms.

4. Global Agility

Definition: Adapting across diverse environments while maintaining executive presence and authenticity.

Impact: Prepares you to navigate top corporate and global spaces with authentic confidence.

• Junior MANRRS (Grades 6–12):	Navigate new professional spaces, connect nationwide, and build your brand.
• Collegiate (Undergrad & Grad):	Transition to corporate work cultures, study abroad, and refine executive presence.
• Professionals & Alumni:	Lead diverse teams, drive corporate inclusion, and serve as global MANRRS Ambassadors.

5. Networking & Relationship Building

Definition: Cultivating and leveraging long-term connections with peers, mentors, and partners.

Impact: Connects you directly with recruiters, executives, and mentors for lifelong support.

• Junior MANRRS (Grades 6–12):	Connect with collegiate student role models, academic advisors, and STEM mentors.
• Collegiate (Undergrad & Grad):	Build relationships with corporate recruiters, industry leaders, and national peers.
• Professionals & Alumni:	Mentor emerging talent, expand executive networks, and fuel the MANRRS talent pipeline.

🚀 EARN YOUR DIGITAL BADGES
